WINE & BEVERAGE MENU

From vine to glass

EXPLORE THE WORLD THROUGH OUR WINE MENU

Embark on a journey through carefully tended vineyards, where flowers precede the birth of fruit, weaving a rich history. As harvest season approaches, families immerse themselves in terroir and winemaking craft. Each bottle becomes a vessel for stories, inviting you to listen to the whispers held within.

For sommeliers, wine is a culinary tool, elevating the dining experience. Yet, for the world, it's bottled poetry—a refined joy. Our curated selections aim to balance the familiar and the exciting, offering over 50 wines by the glass, presenting the world's finest tales in liquid form.

We are neither farmers nor winemakers. Our role falls at the end of a long chain of actors involved in getting this wine from the cellar to your glass. Today, there is so much distance between grape and glass, that it is easy for each to lose sight of the complexities on both ends.

It is our goal and privilege to bridge that gap and reunite grower and consumer. We invite you to ask what is new in the menu, as we are constantly searching for hard-to-find wines with the only intention of brightening your experience.

In essence, our narrative invites you to savor the details in every sip, explore the cultural mosaic in each bottle, and revel in life's pleasures. Around our table, with family or friends, we aspire to rekindle an appreciation for shared moments and the craftsmanship in each pour.

Enrique Durán
Wine Director / Sommelier
